Hi Suzanne – thank you for your email.

We will not be returning the letter and plan signed until Ross Ashby and/or Allan Tiplady respond to the attached email that was sent to them on 28 April 2016,

We required an absolute binding assurance from TCDC that there will be no work on any walks south of Hahei until both the Pa Rd Car Park and the Lees Rd Car park are fully operational and effective tourist traffic management programmes in place in Hahei. This was stated the Mayor and in the TCDC prepared hand out delivered at the Mayoral public meeting, 28 November 2015, so it should be very easy to give to the people of Hahei the assurance again. We fail to understand why it takes so long for with Alan or Ross to respond.

Please expedite a response from with Alan or Ross.

Thank you.

Regards

Good afternoon Bill

Thanks you for sending the signed affected parties form back to the Thames-Coromandel District Council. Attached is a copy of the plan of the Hahei car park and the letter stating the description of the proposed activity.

Can you please view them both, sign and date the plan and the letter, then return both of them as soon as possible so we can submit the application of the resource consent.

Much appreciated
